RE: Fiscal Year 2010 HSGP Application Preparation Workshops

The US Department of Homeland Security (DHS) released the Fiscal Year 2010 (FY10) Program Guidance and Application Kit in December 2009. The California Emergency management Agency (Cal EMA) released the FY10 Homeland Security Grant Program (HSGP) California Supplement to the Federal Program Guidance and Application Kit on March 9, 2010. Each year following the release of the State Supplement, Cal EMA schedules application preparation training workshops around the state so that potential applicants can receive up to the minute information regarding changes in the program from year to year. The schedule and agenda have been posted to the Cal EMA website at: <http://www.calema.ca.gov/WebPage/oeswebsite.nsf/content/D150A26B48CD43EF882576F60069059F?OpenDocument>.

As in previous years, the Cal EMA FY10 State Supplement contains a timeline and due date for subgrantee applications for FY10 homeland security funding with approximate dates based on the DHS/FEMA award date to California. The current timeline for subgrantee application submittal is based on an award from DHS/FEMA received by Cal EMA on or before July 30, 2010.

Subgrantee applications must be received at Cal EMA by **August 13, 2010**.
